SAVINGS BANK BANK MAUA AND Co. 101-Cangallo-103 BUENOS AYRES.

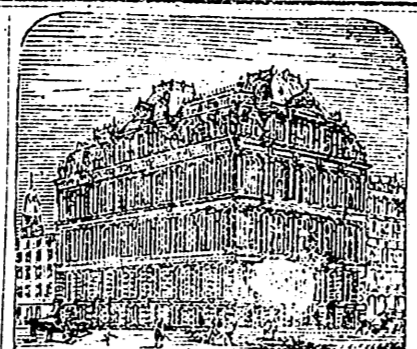

The immense advantages of Accounts Current are now generally known and appreciated in the two great companies of the River Plate, Montevideo and Buenos Ayres, that there are very few persons who do not keep one at the bank in which they place their savings.

The Bank of Maua & Co. in Montevideo has already proved to the satisfaction of its clients that it is a safe and profitable depository for their savings.

The sums deposited in this very important institution are daily increasing, and already reach a very large amount.

The advantages have not hitherto been enjoyed in this city by any other number of classes and persons, who are now interested in making their savings out of interest, thus providing themselves with a reserve fund in case of need, sickness, or old age, instead of spending them in the momentary gratification of their passions.

The Bank of Maua & Co. of this city, following the noble example of their firm in Montevideo, now offer the same facilities in this city, and has
