His Excellency: all was quiet at half past 9.

The Board of Health has made a protest to the Junta about the state of the Hotel de Francia, which was closed some time since by the Tribunal as the doors were sealed. It seems no steps had been taken to clean this house or remove the provisions &c., and the smell from the place is now offensive.

Numerous complaints are made about the bad treatment given to people sent to Flores island for quarantine. The Telegrafo urges the necessity of the Port Captain's having a little steamer to take down meat &c., daily, as nothing will keep long in the present hot weather and the Lazzaretto is very ill supplied.

poration a small nucleus of good men, and we have great hopes that the new 'Prefet de la Plata' Don Juan José Mendez, will yet succeed in bringing this much abused and unfortunate body into something like tolerable working order.

We feel much pleasure in congratulating our esteemed friend D. Ricardo Newton on his appointment as 'Comandante' of the District of Osasoonus. The wealth and influential position enjoyed by this gentleman in that partido, together with his personal popularity, render him the man 'par excellence' for such an important and responsible position, and the people of Chascomús have much cause for satisfaction at the selection.

Mr. Wheelwright leaves town on Sunday for Rosario, en route for the works on the Central Argentine Railway. He will be accompanied by Sr. Mouneta, Government engineer, to whom he will deliver the section of the line lately completed to the Rio Segundo. Not the smallest doubt is now entertained as to the line being completed to Cordoba within the extension of time granted by Government.

SAVINGS BANK BANK MAUA AND Co. 101-Cangallo-103 BUENOS AYRES.

The immense advantages of Accounts Current now generally left and appreciated in the two great emporiums of the River Plate, Montevideo and Buenos Ayres, that there are very few Merchants who fail to keep one at the bank in which they place the most confidence.

The Bank of Maua & Co. in Montevideo has already provided for the working classes in that city a safe and profitable depository for their savings.

The sums deposited in that very important institution are daily increasing, and already reach a very large amount.

These advantages have not hitherto been enjoyed in this city by an immense number of clerks, artisans, working men, and servants of all classes and conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness, or old age, instead of spending them in the immoral gambling, in lotteries, and other frivolities.

The Bank of Maua & Co. of this city, following the noble example of their firm in Montevideo, now offer the same facilities in this city, and has

opened a Savings Bank at No. 103 Calle Cangallo from N.E. to S.W. till Three p.m. every day, for the reception of the savings of the classes already mentioned, Sundays and holidays excepted.

The Bank will deliver to each depositor a pass book, in which will be entered the amount deposited and withdrawn.

The depositor is permitted at any time to withdraw the whole or part of the sum deposited; in the former case the interest will be calculated up to date.

The Bank of Maua & Co. is sufficiently known to the Public by the benefit derived from the course of its operations, which are regulated on the strictest and soundest principles, and always directed to promote the general welfare.

The Bank of Maua & Co. are also persuaded that this new branch of their business will render immense service to the working classes of Buenos Ayres, and its neighborhood.

Buenos Ayres, 2nd January, 1867.

P. P. MAUA & Co.,
M. A. DE FREITAS AMORIM.

CONDITIONS.

First—The Bank receives at interest any sum from Twenty-five Dollars currency or one Silver Dollar upwards.

Second—The interest allowed is six per cent. (6 p. c.) per annum, which is liquidated every six months.

Third—The depositors can at any time retire the whole or part of the money deposited.

Fourth—Once the money deposited exceeds twenty-five thousand dollars currency, or one

thousand dollars silver, the depositor, if he wishes can open an account current, according to the rules established by the Bank.

Fifth—In case the depositor loses his pass book it can be replaced by another on paying twelve dollars currency, and advertising the loss in the public newspapers.
