HEALTH AND HAPPINESS BY THE USE OF BRISTOL'S SUGAR COATED VEGETABLE PILLS. These Pills have justly acquired a widely extended reputation for their wonderful cure of severe cases of sickness—cases in which all other Medicines had failed, and which had been given up by Physicians as beyond help—such as confirmed and long-standing Liver Complaints, obstructions of Piles, Dropsy, &c. But while admitting their wonderful curative powers in difficult cases, we wish to call attention to their great value in the every-day diseases of life, such as Costiveness, for which they are a perfect specific.

Purely Vegetable. For Loss of Appetite they are the only sure remedy, as they never fail in carrying off the depraved bilious condition that foists in the stomach and destroys the healthy, natural craving for food. Sour Stomach, Heartburn, Flatulency, and all Derangements of the Digestive and excretory Organs are promptly relieved and cured by them. The public should always bear in mind that Bristol's are the only Pills made of

BRISTOL'S SARSAPARILLA. That best of blood purifiers, should be used with the Pills, the two Medicines being prepared expressly to act in harmony together. When this is done faithfully, we have no hesitation in saying that great relief, and, in most cases, a cure, can be guaranteed, when the patient is not already beyond human help.
