THE THEORY OF PURGATION, Applied to the Liver, Kidneys, Skin, Stomach, and Bowels. Dr. RADWAY'S Perfect PURGATIVE PILLS.

Dr. RADWAY'S PILLS. Perfectly tasteless—Elegantly coated. "Materia Medica" contains 120 repetitions, many purgative and cathartic agents that, for ordinary purposes, open the bowels, and through what is called a "peristaltic" movement, purges from the alimentary tract the feces, and this is all. Such agents, for the purpose of cure, or removal of any settled cure, are perfectly useless.

Radway's Pills. The true principle of purgation is secured—not alone to the office of dissolving the feces and excrementa from the bowels, but these matters that are checked or stopped in their passage through the Skin, Kidneys, Lungs, and all excreting and secreting functions; for if these excrementitious secretions belong to the skin, lungs, kidneys, etc., are interrupted in their escape, they become products of decay and decomposition, and must be purged from the living body through their proper channels.

How to take Radway's Pills. In doses of one or two pills, by all persons of a full habit of body, subject to giddiness, rush of blood to the head, palpitation of the heart, and all those ailments to which are checked or stopped in their passage through the Skin, Kidneys, Lungs, and all excreting and secreting functions; for if these excrementitious secretions belong to the skin, lungs, kidneys, etc., are interrupted in their escape, they become products of decay and decomposition, and must be purged from the living body through their proper channels.
