WONDERFUL CURE

The following complimentary Testimonials speak for themselves:—
"Since I was five years old I have suffered from an impediment in my speech. Your system has cured me perfectly, and I can now express myself as well as if I never suffered. Duty to my fellow-men, and gratitude to you, alike dictate that I shouid make a public profession of your almost mirroulous science.

your almost miraculous science.

Here follows another Testimonial, showing the efficacy of Dr. Alexander C. Forbes' perfect and su cessful system:

"Benevolent actions are so rarely met with in this world, that wherever found they should be made public, for the approbation and example of all men.
