SAVINGS BANK BANK MAUA AND CO. 101-Calle Cangallo-103 BUENOS AYRES.

The immense advantages of Accounts Current now so generally felt and appreciated in the two great emporiums of the River Plate, Montevideo and Buenos Ayres, that there are very few Merchants who fail to keep one at the bank in which they place the most confidence.

The Bank of Maua & Co. in Montevideo has already provided for the working classes in this city a safe and profitable depository for their savings.

These advantages have not hitherto been enjoyed in this city by an immense number of clerks, artisans, working men, and servants of all classes and conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness, or old age, instead of spending them in immoral gambling, in lotteries, and other frivolities.

The Bank of Maua & Co. of this city, following the noble example of their firm in Montevideo, now offer the same facilities in this city, and has

CONDITIONS.

First—The Bank receives at interest any sum from Twenty-five Dollars currency or one silver Dollar upwards. Second—The interest allowed is six per cent (6 p. c.) per annum, which is liquidated every six months. Third—The depositors can at any time retrieve the whole or part of the money deposited. Fourth—Once the money deposited exceeds twenty-five thousand dollars currency, or one thousand dollars silver, the depositor, if he wish can open an account current, according to the rules established by the Bank.
