THE ISTHMEAN GAMES.

Wherever an Englishman goes he introduces horse-racing, just as a German starts a Verein or athletic club of some kind or other.

THE ISTHMEAN GAMES.

For the purpose of the culture of our city and citizens than the fact that this is the only part of South America where the savage diversion of the Bull-ring has given place to the glories of a Derby-day on a small scale.

THE ISTHMEAN GAMES.

To-day will be the Derby-day of Buenos Ayres at the well-known racetrack of Belgrano.

THE ISTHMEAN GAMES.

Natives and foreigners will mingle in the festive scene, for the Argentines have a natural taste for equine sports.

THE ISTHMEAN GAMES.

It is not only pleasant but highly salutary to have these friendly reunions at intervals, to rub off the dust of business, to forget the occasional annoyances that may spring up in everyday life, and to exchange friendly relations with our neighbors of other nationality.

THE ISTHMEAN GAMES.

To-day there will probably be a full attendance at Belgrano. The weather and occasion are propitious.

THE ISTHMEAN GAMES.

No better way can be imagined for making holiday on this great national festival, and we anticipate the meeting will be one of the largest and most successful that has been held for some time.

THE ISTHMEAN GAMES.

Much praise is due to the gentlemen who have labored so perseveringly, to bring about the present meeting. We understand the prizes and cups are of native silver and workmanship, which will enhance their value to the lucky winners.

THE ISTHMEAN GAMES.

Among all fashionable circles nothing else has been spoken of for some days past, and the fair sex promise to muster in great strength.

THE ISTHMEAN GAMES.

The Northern Railway runs extra trains every half-hour. Races begin at noon sharp.

THE ISTHMEAN GAMES.

According to promise I have in every way tried to ascertain the feelings of this people in regard to River Plate matters, and can safely assert that any wish to provoke a quarrel is the farthest from their thoughts.

THE ISTHMEAN GAMES.

There is naught but good feeling expressed towards their late ally, and wishes for their prosperity. I do not believe the people would permit a war.

THE ISTHMEAN GAMES.

I did have my fears when leaving the River that a collision might ensue. I only hope that the Argentines will be as sensible as the Brazilians in the Paraguayan business.

THE ISTHMEAN GAMES.

We have been having grand 'festos' in commemoration of the peace with Paraguay, and among the visitors to the public gardens the 'festos' were held the remarks were frequent, we never want another war, nor will we fight unless insulted. Believing, as I do in the good sense of the Argentines, war will not be possible.

THE ISTHMEAN GAMES.

From home the United States news is rather contradictory. The Alabama claims excitement is being suspended by a Spanish row, and the 'Yanks' are mad. The Cuban pear will soon be ripe, and then 'quien sabe?' You will hear from me again if I have anything new on arrival in New York.

THE ISTHMEAN GAMES.

Yours ever, SUBSCRIBER.

THE ISTHMEAN GAMES.

The band in the Plaza on Sunday was better attended than usual, several fashionables just taking one turn round the square, on leaving the Cathedral after the last mass.

THE ISTHMEAN GAMES.

Here we see that in three important

IMMIGRATION TO BRAZIL

Assunguay Colony, Province of Paraná, March 30th, 1872. Mr. Fritsch, Administrator of the Saude Emigratoria House.

THE SITUATION IN CHILE

MINISTER'S REPORT. The Minister of the Interior has presented his message to Congress. In almost every line may be traced evidence of the steady advancement and growing prosperity of Chile.

But, strange to say, except Messrs. Edouard and Diehlmann, the colonists do not meet on the road in the French colony and in Curitiba, one would think they would be turning back emigrants and sending them going further, by pointing to them a frightful picture of the colony...

THE LAST OF THE GRETTNA PRIESTS. The last of the Grettina priests is dead—old Simon Lang, who for many years past has been the lone survivor of a long line of self-appointed dignitaries. He died April 24, at Felling, near Newcastle-on-Tyne.

With the money one can easily get arms, munitions, some indispensable utensils, and food while awaiting the first harvest. The place I have chosen for my site is called Les Touvres, and is three hours' walk from the colony.

French port, and inducements made for them to join the American service, in which Paul then served. David Lang, however, returned safe home to Gretna—donned the priest's canonicals in the year 1792, and continued in the wedding line till the time of his death, nearly forty years after.

MONEY IN THE GARDEN. Many there are who have a taste, and would delight in the culture of flowers and fruits, but are debarred from that pleasant occupation by the want of that knowledge which is so requisite. To them the expense is often the greater, and this is often what they at first are sure to complain of; they attempt too much in the beginning, but find that when they have nearly finished, their work must be remodelled or altered, then comes the expense which quite disheartens them; "so often" give it up with this gist.
