THEY NEVER REAPPEAR —Emptive and dece tive maladies are banished for ever by Brato's Sarsaparilla. They never recappear either in their original shape of manufactive form. This is not the case when manufactive or any othermineral agent is employed. Suppressed at one point, the disease crops out at another. In many cases it is transferred from the surface to the bones or from the external fleshy fibre to the vital organs. The secondary symptoms which so often follow merburial suppression, are as dangerous and as obstinate as the original disease. This great vegetable deparative does not drive back the disorder, or scatter its seeds through the system. It is an extirpator. When s work is done it is done thoroughly. cj-s26

Este remate debe llamar la atencion de todo el mundo.

El pueblo nuevo General Brown, proyectado por el Sr. Adroguo, sera, a no dudarlo, el mas lindo y hermoso de todo la provincia. Su delineucion atrovida y elegente es altamente moderna. El Sr. Adrogue, antes de formar un pueblo, ha tenido y egocutado la idea do los Norte Americanos, establecien lo un grandioso edificio destinado para hetel, donde los vecinos del nuevo turblo encontraran todo lo necesario para el confort.

El pueblo solo dista cuatro cuadres de la estacion.

Tan lueguo que exista ya algun vecindario, el propietario pondra omnions en la estacion del ferro-carril, que llovara los pisageros por menos ferro-carrii, que liovara los pisageros por menos que nada a sus cases.

Invitamos a los que creen en el porvenir de esta tierra asistan a nue-tro remate, seguros que no ejaran de comprar algun lote que en breve tiempo les representara un buen capital Planos y targetas se ebtienen en auestro escritorio.
