THEY NEVER REAPPEAR.—Eruptive and desiccative eruptions are limited for ever by Bristol's Sarsaparilla. They never reappear either in their original shape or in a new form. This is not the case when mercury or any other medicine is employed. Sarsaparilla is the only point, the disease crops out at another. In many cases it is transferred from the surface to the bones or from the external fleshy fibre to the vital organs. The secondary symptoms which so often follow mercurial suppression, are as dangerous and as obstinate as the original disease. This great vegetable purgative does not drive back the discharges, or scatter its seeds through the system. It is an extirpator. When work is done it is done thoroughly. cj—n10

HO FOR THE RACES IN QUILMES. On the ELEVENTH, Wind and Weather Permitting, The Inaugural Meeting of the Quilmes Race Ground, by the ENGLISH AMATEUR RACE-CLUB. We are not afraid to say this is the prettiest race-ground in the Province, so situated as to afford the visitor a day of enjoyment, without dust and heat. Close by there can be found a careful shade and cool breeze, so that those desirous of enjoying their lunch can retire to umbrellas, or to a seat and enjoy the full appetite which the pure air from the river is sure to create. Those desiring to see particular races will find a passage on the sands most delightful, whilst their horses will feel refreshed by a bath in the river. COME ONE, COME ALL. You will not be disappointed. The Tramway connects with the Trains, and drops Passengers at Entrance of Race Ground. d 66 2p n9
