## BANK MAU A AND CO.

101-Calle Cangallo-103  
BUENOS AYRES.

The immense advantages of Accounts Current is now so generally felt and appreciated in the great emporium of the River Plate, Montevideo, and Buenos Ayres, that there are very few Merchants who fail to keep one at the bank in which they place the most confidence.

The Bank of Mau & Co. in Montevideo has already provided for the working class in that city a safe and profitable depository for their savings.

The sums deposited in that very important institution are daily increasing, and already reach a very large amount.

These advantages have not hitherto been enjoyed in this city by an immense number of clerks, artisans, working men, and servants of all classes and conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness, or old age, instead of expending them in immoral gambling, in lotteries, and other frivolities.

The Bank of Mau & Co. of this city, following the noble example of their firm in Montevideo, for the same facilities in this city, and has

Second.—The interest allowed is six per cent. (6 p. 2) per annum, which is liquidated every six months.
