

The force exercised by a growing seed is able to raise a weight of 200 pounds. This has been shown by enclosing a seed within a ball requiring that force to burst it.

A calf from a native cow, sired by a thoroughbred Durham, will be two-thirds Durham, so much preponderance is there in the breeding qualities of high-bred stock.

The Mammoth Circus starts to-morrow night. Almost every box in the house, or tent, or whatever it is, has already been taken.

The news from Spain is much of a melancholy. Row, row, 'et toujours' row. King Amadeo shook Iberian dust from his feet just in time.

The Caldera brought out 90 passengers, the Copernicus 5. The unfortunate 95 are now doing penance for their sins in quarantine at Flores Island.

The longest matrimonial engagement on record is that of a couple who were married at East Lyme, Mass., on Thanksgiving Day. They were betrothed in 1817.

The mails by the Illimani, which arrived yesterday at Montevideo from Liverpool, may be expected here in about fifteen days.

The late hours now kept on the Bolsa by eminent merchants, brokers, dealers, bankers, barragueros &c.

The "Cooter" arrived yesterday from the sister city and sailed again in the evening. We had a letter which says that the aspect of the place is terribly 'triste', but nothing like as bad, even comparatively, as Buenos Ayres during the Plague.

should be a caution to rattlesnakes and land jobbers. "There is a hydropothecary that shapes our ends, smooth view them as we may."

Dr. Alsina's programme of his policy, if elected President of the Republic, was published yesterday. It is decidedly to the point, and the Vice-President is the man to make good his promises, if called to power.

The Government of Catamarca has asked the National Executive for help to repair the disasters caused by the late inundations. It should be given, by all means; the province has been washed bare.

It appears that the young Frenchman, named Gaillard, who shot himself the other day under the impression that he was suspected of robbery, was under no such stigma.

The Tribunal of Justice has just condemned a murderer to 15 years hard labour 'en el lugar seguro' which the Government may name. Where is this secure place? Patagonia! Mafo!

A London paper says: "At length we possess definite statistics showing the German losses in the war with France. The total number killed, wounded, and missing, amounts to 1,572,000."

The corner of Calles Cangallo and Piedra is becoming a rather warm corner for foot passengers. The tramway trumpeeters and their companions have lately started a Stone Throwing Club in that pleasant neighbourhood.

Look out, when passing down to the Beach by the Retiro barracks wall. The Municipal engineer says the whole concern will come down by the run some day soon.

"King William V." Many people are very probably unaware of the loss just sustained in the death of William the Fifth, King of Denmark, which has been announced in the 'New York' papers.

Semiramis will be given at the Opera House on Saturday night, with Mme. Marziali in the leading character.

A dollar less fare than the tramway intends to charge. This is opening the competition stiffly. The next move will be a reduction by the tramway.

The news per Illimani was the freshest in town to-day, and came early. Those who are well up in the financial matters express no surprise at the raising of the Bank rate, but a very wide circle was taken a-back by the news.

The political Bolos members were very busy to-day with the proclamaion published in the papers this morning by the Abasco Club.

The romantic town of Suakopore, Conn., witnessed a most romantic wedding on Thanksgiving Day. After an engagement of 50 years, the youthful bridegroom of 78 Summers led to the altar his blushing bride of 79.

"You say," said a judge to a witness, "that the plaintiff resorted to an ingenious use of circumstantial evidence. State just exactly what you mean by that." "Well," said the witness, "my exact meaning is that he lied."

There was a marked reaction in the Bond market to-day, caused by the King turning round and buying freely. The extent of the money crisis is supposed to be now known.

The Water Committee has applied to the Bank for the payment of a small debt due by the Western Railway to the Board. The sum is 2,474,000 m.p., a l. for water. It is to be supposed that the Bank will at once pay this account.
