It being an admitted fuct, that "Money make money," the object of LA BIENHECHORA could not be better, since it opens a vast Saving Bank for the surplus or savings of the Pablic and by the proper employment of these smal gains, a moderate capital, or even annuity, may be secured in a short time. By this means a proc vident, though helpless, family can husband the mall means, and, in the end, attain a combetonov.

mall means, and, in the end, attain a competency.

It being proved that the accumulation of ine rust is the most powerful means of augmentin he capital, THE BIENHECHEORA DEL PLATA—an Argentine Company, whose own nvestments are in the country—holds out to Subscribers greater advantages than any other Institution, by reason of all its dealings being in the River Plate, where are current as large interests asin any part of the world.

THE BIENHECHORA DEL PLATA receives Deposits of from Five Patacones per Annum up to any amount in Weekly, Monthly, or Yoarly Instalments.

DEFEATED AT ALL POINTS.—Dysp psia may be dedefined as a disease pronounced unconquerable by generalising theorists, but which Bristol's Sugar-costed Pil's always coquer. This is bad for the theorists, but intensely the prode in which quer. This is but for the theories, at Measure satisfactory to the dyspeptic. The mode in which the cure is effected is simple. Three organs are involved in the disease—the somach, the liver, and the bowels. The pills act in three ways. They strengthen, cleanse, and regulation in the disease, and regulations, and regulative to all three. Their effect is the same in all cases, and they are admirted to all constitutions. cases, and they are adepted to all constitutions and climates. In che me dispepsia and liver disease the blood is more or less deprayed, and therefore in such cases Brictol's car aparilla should be used with the Pills as a blood purative.

Buenos Ayres, April 28th 1873. The following is the lutest respecting our local roduce markets :-

Wool-Arrivals since commencement of clip, 3,000,000 ar. Do. do. last report, do. 2,250,000.

Stock in deposit, 1,500,000 do. Since our last report there has been a slight inclination on the part of some holders to meet the views of buyers, and consequently sales have been made of several parcels from deposit; but the news of still further falls in the European markets makes transactions again difficult, as the losses on this side are so heavy that holders are unwilling to make sufficient concessions to enable purchasers to continue their operations. There is

still a considerable stock in the camp districts.

Our quotations for U.S.—No transactions.

Hivre and Liverpool good, No. 1 .- \$74 Sales—One lot superior, 83.
Antwerp—Good No. 1, 65 to 70\$
Inferior, 55 to 60

Lambs wool, 45 to 55 Sheepskins. Killing has scarcely commenced yet, and the few mataderes coming into market are quickly purchased for French account at high ed has been shipped for owners account. Several

CELEBRATED SHEEP-DIP.

LICOR DERMATOSICO.

Prepared by TORRE and BARTON, Druggists DEFENSA, 65,67, and 69.

Guaranteed

Infallible for the Cure of Scab in Sheep.

After long and innumbrable trials, we have succeeded in preparing the above Sheep dip, by the use of which we guarantee the thorough eradication of Scab in Sheep.

Besides cheapness and easy application, it has the great advantage over all other similar preparations of being
COMPLETELY SOLUBLE IN WATER,

a circumstance which admits of our liquid penetrating to the very surface of the skin, without spotting the wool or making it adhere:

The Company Insures against Loss or Damage by Fire, Private Levelling-Housee, Goods Deposited in Specific Warehouses of stone or brick &c., &c.; and also issues "Floating Ponicies," extending to the Custom-House and all or any of the Private and Bonded Stores.

The whole advantages which can possibly be contemplated by those desiring to effect Fire Insurances, may be resolved into the ollowing—lat. Scourity.

1st Scourity.?
2nd. Honor and liberality on the part of the Company, in whose hands they place their interest; and
3rd. The purchase of these advantages at a

moderate rate.
It will be found that all these are presented by this Company to the Public in an emment

degree.
The Company's large Capital, under the immediate menagement or the Directors of the Establishment, affords perfect accurity to the Assureishment, affords perfect a security to the Assane-while it may considently assert, from the Constitution of the Beard of Direction, from the character of its pres at Members, and from the qualifications which will be defented indispensable in their successors, that the highest honor and liberality will ever characterize all its transactions.

It has been he object of the Directors, in their miner arrangements, to afford every possible facility to these effecting Assurances with the Alliance, and the undersigned hold a power of Attorney enabling them to settle at once any Losses that may occur from Fire, Lightning, or Explosions of Gas in Buildings, on or in which this Company has granted Assurances.

Any further intermation can be obtained on application to—
