

chickens. Thiers has yet to speak for them, and the Bonapartists have some votes. It is better to observe than to speculate on the game of ninepins now being played.

politics when giving lessons in dictation. This calamity is bad enough; but His Holiness is also roughly handled which protestants might be reconciled to, only they are ten times more strongly abused.

Artizans' Clubs may be regarded as a failure in Paris. Whether left to the free initiative of the men or whether organised by the assistance of the clergy, the movement does not take root beyond a few months.

EDITOR'S TABLE. Hurrah! The Islay is safe and in, with Lisbon dates to 27th. The great news is from Ireland, where the Line and the Militia at the Curragh Camp have had a regular stand up pitched battle, with Sniders and sword bayonets, several being killed and wounded on both sides.

Letters from Rosario state that every branch of business is improving vastly up there. National Bank shares are selling at par. A few might be exported profitably from this market.

On the 20th of the month of New York, directed one of the crews at Irishmen, to throw the buoy overboard. On his return, the captain inquired if his order had been obeyed.

chickens. There has yet to speak for... politics when giving lessons in dictation.

A very extraordinary document has appeared relative to the Detective force under the Second Empire.

The ordinary detective to do the work of the streets, but the "indicators" were political agents, selected from every strata of society.

Upwards of three millions of francs were annually voted by the Corps Legislatif for the secret police.

The repair of Calle Rivadavia from Calle Callao to the Once will commence to-morrow.

Over 130 European emigrants landed on the mole on Friday.

"Talk not of tears till thou hast seen the tears of warlike men," says the poet.

The Club Constitucional published a bulletin yesterday calling a meeting of its members for 4 o'clock in the afternoon.

The Britannia, of the Pacific line, is due at the Mole on Tuesday, with European dates to 2nd inst.

The 24th will be a great day in town and country, and a "furiado" for the Government will be the order of the day.

No country in the world has more school or class-books than France.

politics when giving lessons in dictation. This calamity is bad enough; but His Holiness is also roughly handled.

Artizans' Clubs may be regarded as a failure in Paris. Whether left to the free initiation of the men or whether organised by the assistance of the clergy.

The news of the morning yesterday was the wind up of the famous Convention which has just concluded the manufacture of a new constitution for the province.
