

We read in the New York World of the 22nd August a very depressing article on the Female Longevity, proving beyond a doubt that women are far more robust than men...

It seems, observed one dandy to another, at a party, that they give no supper to-night. To which the other replied, "Then I stop my expenses, and coolly took off his new pair of gloves."

The Palladium dramatic company has had an enthusiastic reception by playgoers in Rosario. The play, "The Social Club," was a "hit" this week.

Two more troupe enterprises are projected at the Mount. One is only for babies, to run miniature cars round the principal plazas...

SAVINGS BANK BANK MAUA AND CO. 101-Calle Cangallo-103 BUENOS AYRES.

The immense advantages of Accounts Current are now generally felt and appreciated in the great emporium of the River Plate, Montevideo, and Buenos Ayres, there are very few Merchants who fail to keep one at the bank in which they may possess the most convenient.

The Bank of Maua & Co. in Montevideo has already provided for the savings classes in that city a safe and profitable depository for their savings.

The sums deposited in that very important institution are daily increasing, and already reach a very large amount.

These advantages have not hitherto been enjoyed in this city by an immense number of clerks, artisans, working men, and servants of all classes.

The Bank of Maua & Co. are also persuaded that the new branch of their business will render immense service to the working classes of Buenos Ayres and its neighborhood.

The Bank of Maua & Co. of this city, following the example of their firm in Montevideo, has some facilities in this city, and has

Table with columns for Stations, Lines, Charges, and Ten words. Lists various stations like Altamirano, Barra, Barracas, etc.

Manuel Horta Torroba. HAS THE HONOR to announce to the native and foreign estimations of

the benefit that will result to our city from the proposed improvements...

The Committee, having carefully studied the several proposals with the reports thereon by the accountant...

1st. That the only proposals for delimitation are those of Gabriel...

Table with 2 columns: Amount proposed, Estimated cost. Rows include Gabriel, Wythes, and Newman proposals.

which is much above the Medici...

As regards that of Ogilvy, Wythes and Aird the amount is found to be 159,708,670 \$ mpc...

Finally as regards that of Medici and Newman both the accountant and engineers are agreed that its amount is \$165,340,633...

We find moreover that it is completely and unconditionally subject to the bases laid down for tenders...

We had also that verbally and in writing they have engaged to finish the works in 3 years...

We find the various proposals to stand thus: Gabriel, \$174,947,793; Ogilvy Wythes, \$159,708,670; Medici Newman, \$165,340,633.

Let the contract be then made out and duly signed, after which a copy shall be sent to the Provincial Government...

Our readers will remember that the brothers Guerra, who attempted to assassinate the President of the Republic...

On Sunday last Miguens identified the corpse of a man taken to the Police as that of the assassin Aquiles...

Ayres the previous day, and had taken up her quarters at his room in the Hotel del Vapor...

According to the Telegrama Maritimo the manner in which Aquiles came by his death was as follows:—

On Sunday evening he presented himself at the house of Dr. Quereceno, formerly Minister of Government...

At 8.30 p.m. the assassin returned, and ran upstairs to the ante-saloon where Dr. Quereceno was on his guard...

The assassin then proceeded to the Police, and declared how he had been obliged to shoot a man who tried to murder him...

His two accomplices, who were outside, one at the corner of Calle Colombia another at that of Arcepey and de Julio...

Dr. Quereceno's house to examine the corpse and take the doctor's declaration, according to which he did not give Aquiles time to cock a revolver...

Dr. Quereceno remained in his house under arrest, his wife being unwell. A photograph has been taken of the deceased assassin...

Minister Tejedor has sent in to Congress a special Memoria on the question now pending with Chile...

His Excellency Felix Frias, Argentine Plenipotentiary in Chile, had been directed to sound that Government as to the proposed limits...

On that occasion the Chilean Government told Mr. Frias that the note published in London did not interfere with the Atlantic as far as the entrance of the Straits...

Let the contract be then made out and duly signed, after which a copy shall be sent to the Provincial Government...

Our readers will remember that the brothers Guerra, who attempted to assassinate the President of the Republic...

On Sunday last Miguens identified the corpse of a man taken to the Police as that of the assassin Aquiles...

Under these circumstances there appears little room to expect a speedy arrangement of the question...

A few months ago a young Paraguayan in London invited some scientific men to witness an experiment on the Thames with a floating cylinder...

Mr. Alcorta had in view the development of trade in the richest province of Paraguay...

The cylinders will be arranged, six or seven together, after the manner of a raft, but instead of the cargo being upon them it will be underneath...

Dr. Alcorta's invention promises to reduce the freight to one-tenth of its present cost...
