IMPORTANT FROM U. STATES.

N. York, Oct. 25th. Sir Edward Thornton has obtained permission from the British Government to act as arbitrator between the Washington and Mexico Cabinets. For the present the Mexican authorities prevent the Indians from making forays in American territory. President Lerdo took the oaths at Mexico on the 126ff. before Congress and the Ministers; but, the same day a dreadful revolution broke out at Cohahuila, the populace expelling the Governor, troops from Mexico and a battle was fought at Monclora, in which the re. length in all the Paris papers, the most striking paragraphs being the followto Texas, and the New York papers warmly approve Grant's action, since the Mexicans have so repeatedly given

No tra sactions to report. A barraquoro at the Boes favored us with "The real cause of the filling up of the canaeta of the Boca in consequence of the operations

or the large arrange turning up the sand in the is postponed to Thursday, 27th day of November, course of the 'Ensayas' recently undertaken in 1873. the neighbourhood of the said conaleta, the stream lodging the sand on the bar to such an extent that lightermen of twenty years standing, have no recollection of such a condition as that of the Riachuelo presents to-day. Before the dredge began working outside we had 'e quarts' of water at ebb tide, to day there is not one quart. We call on the National Government to order the dredger to undo this great scandal vie o all Pub ico que el Registro de las T a feagainst the commerce of this important river, and corriente. proceed at oncer to open up the channel which is

now effectually closed." On Friday last the Montevideo Harbour Improvement Company (limited), successfully aunched one of the splendid Hopper barges des tined for the dredging operations of the harhour This barge is very solidly constructed by Messrs Blyth, and is capable of carrying out to sea, and discharging there 100 tons of earth. The launch took place at the company's tem orary yard in took place at the company's tem orary yard in Calle Andes, and in media:ely afterwards preparations we o mide for preparing another barge of the same pattern, which will be ready very shortly. Other iron barges are on the road, as shortly. Other iron barges are on the road, as well as a powerful drouging machine, which will sail and steam out with its own machinery. This is the secon t dredger belouging to this company the one now complete and ready for work in the harbour having come out in pices, and been put together in the company's yard in Montevideo We mentioned the circumstance of her launch in August last, but by an error she was stated to have belonged to Messrs. Clarke, Punchard & Co instead of the Montevideo Harbour Improvement Company, who have taken over, and are about to work the concession obtained by Mr. The Provincial Bank, it was said to day, will discount more freely if the board sees the exchange remains firm. The rates to day ruled a and have likewise proposed to the government the construction of the new port as designed by the eminent engineer Mr. J. F. Bateman. Mr.

Punchard and Co., is one incer and manager of this company, and thence arose our mistake. Respecting the Salto Railway we have the folowing:-The works of this railway, which is officially known as the North Western Railway of Monte-video, are progressing rapidly under the direc-which the Bank will deliver to the depositors in tion of Mr. C. H. Gripper, the Company's engineer, and Mr. J. C. Human, the agent for the be entered, and all interest shall be psyable contractors of the line, Messrs. C. Clark Punthe iron work of the large bridge over the Ara-

chard and Co. Already the earthworks and bridges are completed over an extent of nearly 60 miles, or little less than half the total length; pey river is on its roat out and skilled workmen have arrived from England to erect it. There are several other large bridges on this line, all of which are in a forward state, and we have every reas u to believe that by the end of next year the locomotive will unite the two termi i of Salto and Santa Rosa. At present there are 12 to 14 miles of line in complete running ord r, and the laying of permanent way is progressing

rapidly. The Silex entered this morning with the much The Silex entered this morning with the much sums from Three to Twenty Thousand Dollars on their own signature, taking as security a docuhowever, before the mails were delivered, came to us by the Telegrafo Maritimo, in the shape of an article on the London money market; it will be found embodied in the mail news in another column: this article was read by every merchant in town, and produced depression, as it opened people's eyes to the mag itude of the difficulties, that surround the financial situation of Europe. Still there is this to be observed, that possibly he worst will be over in Europe before the news reaches here, the local money market certainly shows a slight improvement, and we cannot look patent; we hope to hear that everything is ar- siness is unchecked, there was scarcely an arola unsold in the market the day before the Cor-The National Bank advanced on bonds to-day dillera entered; we note that in Montevideo, all produce orders were suspended, on the receipt of the (ordinera's news, but here

was on account of the shocking dust; the carts could not be opened. the National Bank discounted very freely

cesterday morning-fully 300,000 pats. - whilst Captain Mangles, many years chairman of the the Provincial Bank discounted to day fully ten Royal Mail steam Company, and also of the millions currency. The private banks are doing about a year ago in consequence of fairing few days a good deal of money has gone into tedulas. The Bulls were so strong yesterday that many of them offered to take up all C. dulas deliverable at the end of the month; nevertheless there was no delivery. This, it is urged, proves that the stock is greatly oversold, and therefore Bears. Saturday is now so close at hand that the effort will not cost much. All, however, depends on t e closing exchange rate for the Liffey

give way. The new Decoud Hotel is the talk of the mayket. We heard to day on 'Change that it is to It will face two streets, having frontage on Calle "Subjoined is a comparison of the pres at po- Mayo and Pasco Julio. As the building will run lower part of the building will be occupied with large almacens or warehouses, whilst up stairs Same Week will be the hotel, with six immense saloons larger than the Club Progreso, and over 100 rooms for £20,013,823 the guests. The bui ding will cost from four to 9,058 958 five millions. As an evidince of Paraguayan on-25,954,865 terprise in the Plate this new hotel will c-rtainly 6 per cent. stand first, The plans are beautifully drawn up, stand first, The plans are beautifully drawn up, and the building will be an ornament to the city. The hotel will stand in Cailes 25 de Mayo and Paser Julie, between Corrientes and Parque, and will have a most commanding view of the R. Bottles, at its and 2 and Prepared by GUODALL, RACKHOUSE & CO.

Our advices from Paysanda to-day give the following. The river is very low, and deep loaded vessels cannot pass the Paso Almiron, onsiness at a dead lock, nothing doing and all the

hippers Messrs Hufnagel and Piottiers.

The new \$f200 Nat. Bank notes are much adnired, in fact all the new notes are fully up to the high reputation of the American Bank Note Co. New York. The order from the National Bank was one of the largest ever sent from S. America and executed in remarkably short time on landing at 233f., and 393l ripes mutton tallow the order went through the house of Messrs Zimon spot, at 231 to 1, wisch show a further do. mermann Fair and Co. of this market, as agent of the American Bank Note Co.; we believe that the order for the not s alone will amount to about \$f.100,000 rats, whilst the cliecks and books also came from New York, and were supplied by Messra Sandford and Co. of this plaza, the cheque books are admitted an improvement on the ordinary Bank cheques in this city.
