All sperations in Dentistry performed with skill and neath ss.

ASSAULT THE ENEMY AT ONCE.—The battle for life. It is a maxim in war that assault the onemy before he has concentrated histerenth for a tack. It should be the some in scool flet with disease. Even Brittel's Sarsiparilla, an antigonest with which they mean a mair test and tope, does to write the test may be ages of a ciser cat, than wan that the harry singles of a ciser cat, than wan that the harry singles of a ciser cat, than wan that the harry has become entre ched in the syst. Scrottle that has not perced deep into the flech of to school the bone, vanishes as it by eichin meant unfer its influence. So it is with skindisesses, liver collaboration, siffeting the theory and the model by the about meastsood, that when the struggle between the physical pow rand the malaly has become a sharp and seemingly doubtful Battle for Life, Bristo's Saraiparil a can still turn the scale in favor of the party wards are the rest of humanity is not incry doubtide pattie for Live, filled a Sara-paril a can still turn the scale in favor of the pa-tient. The merest wreck of humanity is not past salvage with its hygeian aid. In every case of scrofulous disease the use of Bristol's Pills, at the same time with the Saraparilla, is absolutely passesser. absolutely necessary.

# Serious Questions.

"Why do we live in these days a much shorter time than the ancients did?" I asked of a man who more than being learned had of a man who more than being learned had lived long and was a gent observer, alway ooking for the causes, when there was anything presented worth of study. To my question-herepicid—"There are various physical and my ral anses which contribute to the propagation observed the gathering together in large cities of thousands, and cometimes millions, of persons, each one in a measure contributing to withat the atmosphere, which does not take place in the country where there is only a small population, and even in places were the houses are seand even in places we ere the houses are se-parated from e ch other by gardens and hed-ges; but this is nothing were there not other causes more powerful to augment the permi-cious effects of the crowding together of the hum notatilly." "The falsifying of much

"What is that?" "The falsifying of much that we cat and dronk to an ext nt that make it necessary to continually repeat. Look out for frauds, when you ask for Hesperidina, and se one that each label cork and capeute of the bettle has the name and signature of Mr

S. Begley. loutenough We cannot repeat too often o

INSPECTION OF BOILERS.

The Scientific American of Oct. 4th

1873 gives a report of the Hartford

Steam-boiler Inspection Co., from

which the authorities in Buenos Ayres

may derive a lesson, to guard against

"The number of boilers examined

during the month of July was 2,300 in-

cluding examination of bottoms, fire-

sheets, flues, tubes and boiler attach-

" Hydraulic pressure was applied in

them, the hammer test being applied

"Number of defects discovered,

1123. Of these there were 275 of a

plates, among the dangerous defects.

"In some cases the fires were too

fiercely urged from insufficient boiler

apacity; in others the boilers were

not properly constructed, tubes and

flues being within an inch of the shell

of the boiler, instead of 4 inches apart.

Many boilers were found burnt from

neglect of cleaning; the fire sheets be-

"There were 83 boilers without

gages, 50 with broken stays, and 18

condemned as unsafe and unfit for

It might be interesting to ascertain

n this good city of Buenos Ayres how

many boilers there are at present work

ing, how many belong to the above

classifications of dangerous, and how

many the Hartford Boiler-inspectors

and 27 cents on board. Mr. A. F. Lamas was welcomed on Change to day and much felicitated apon the opening of the Platino Telegraph line, which promises a sidendid lb, ata-to do Indio Coreals business. The messages at Porongos for one onth reach 1,500. This shows well. The sale of a Bultic pine cargo ex Catharina is

eported at 49} pats. The Economis of November 8th contains mat. ter of great interest. We extact the follow-

"Money was very scarce in the market on Saturday both before and after the Bank's advance and although the e was a quieter feeling early in the week, rates on Wednesday again became very

"The joint stock and private banks were calling in their money from the brokers, who had onsequently to go to the Pank, and were charged in some cases 9 and 10 per cent for advances. As the American Exchange had also fallen and gold continued to be taken for America, the behef became very general that the Bank rate could be raised on Thursday. In some cases the charge for advances to brokers has been as high as 11 and 12 per cent. In the o, cn market nothing is done under the Bank rate, the rates for long bills having also hardened, and the market has all the appearance of a further advance on the Sth December, at the Quinta del Fu-ntes, Ca le Cillao, the wife of George H. On the Sth December, the wife of Mr. James W. Market Color of the Sth December, the wife of Mr. James as 11 and 12 per cent. In the open market nohas all the appearance of a further advance on the part of the Bank being imminent. Under the fluence of the successive movements upwards, however, the Continental exchanges have become The Liquor oft proclaims nore favorable to this country, and pos-ibly there may be one or two days' de ay to see if any mo ney will actually come from the Continent, al though the drain to Americ . continues to be most veakening. It is understood also that the withdrawals to Scotland customary at this season are

he German coinage is further confirmatory of the fact that the Germans are rendering their demand for gold less urgent, while keeping the machinery of the mints tu ly employed by coining 10 instead of 20-mark pieces In the week ing the 11th ult. as we noticed last week, the total coinage was only about £3.8,000, principally in lo-mark pieces; and now we I arn that in the week ending the 1sth u.t. the total coin age was about £416,0.0, of which about £398,000

us in 10-mark pieces. "The forbearance of the German Government a prosecuting its schem : . f a gold coinage, when is thus once more consp.cuous, whatever danger to the monetary world may exist in the very essence of its scheme and the mode of introducing sence of its scheme and the mode of introducing or Magazines, either English, Irish or An origin, for the ensuing year, to the monetary world may exist in the very es-The total amount of the Gorman gold coinago on the 18th of October as above stated, was 96 ,681,060 marks, or about £48,034,000, of which 810,18:,540 marks, or about £10,509,000, were in 20-mark pieces, and 150,499,510 marks, c £7,525,000, were in 10-mark pieces." 187,500,00 It was rumoured that yesterday the Nationa Bank did its first large business with the Nat Government, to the extent of one milion pats. The particulars of this business were not yet ru nour is incorrect.

The Plaza Once de Setiembre this morning presented a rather dull appearance. Of the 200 carts in there was hardly one opened; everything he plaza, and secondly, because most of the which vessel is now two days overdue. At the veral piles soid.

The last mails from Cordova bring news of some failures up there and a great scarcity of money. Spite of the new Provincial Bank.

There was so much said in comm reial circles o-day about some cases of cholera that have occurred at Ensenada that it is well to give the full facts of the case. The Italian steamer Emilia recently entered with a large number of emi-French steamer. Again we have the case of the grant pass ngers. It seems that when she arrived at Rio she was not allowed entry, owing to in the United Kingdom, and acting the English passenger steamer and took the two several deaths having occurred on the voyage out under the most ample powers all in due passengers Mason and Slidell prisoners, but the from Genoa. She received fresh meat and vegeform and order, I think it my duty to United States Government at once delivered tables at Rio, and then came on to Montevidee, where she w s also kept out. She then came on that it admits of no question. Were this port the here, and at once entered Ensenada, where she port of discharge and the end of the voyage for tranship, ed the passengers. Some of hose pas-"I am surprised that Sr. Benites the Cuyaba, the case would be different; but the songers, it appears, mutinied, and have got off, Cuyaba merely touches at this port-her port of whilst the bulk are on board the Ponton, where

several deaths, it is reported, have occurred The placing of the little steamer Baby in quarantine has caus d a hub bub on the beach. It seems that the Baby brought a sick peon from the Galileo, and of course ent word to the port captain. Whilst awaiting orders from this official several ship capta ns went on board the Baby to go out to the roads to their ships; then down came the port officer, who put them all into quarantine. The captains, of course, protested, but after much ado on the part of Mr Plers, the captains were transhipped to a vessel that bad four days' quarantine to Standard Office.

run, and the Baby and the pean sent down to Fabre, Brothers, & Co. Ensen da there to remain. Who peon went on ourd the Galileo at Montevideo.

It appears from advices received from London per Neva that there is no intention for the pre the peculiar state of the London market. It is all the sterling work of the true British, was sent to launch the Buenos Ayres loan, owing to possible that the matter will now stand over for the new year.
