SAVINGS BANK BANK MAU AND CO. 101-Calle Cangallo-103 BUENOS AYRES.

The immense advantages of Accounts Current are now generally felt and appreciated in the most extensive manner. The Bank of Mau & Co. in Montevideo has already provided for the working classes in that city a safe and profitable depository for their savings.

The sums deposited in that very important institution are daily increasing, and already reach a very large amount. These advantages have not hitherto been enjoyed in this city by an immense number of laboring artisans, workmen, and servants of all classes and conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness, or old age, instead of spending them in unprofitable gambling, in lotteries, and other idle pursuits.

The Bank of Mau & Co. of this city, following the example of their firm in Montevideo, he secures facilities in this city, and has

opened a Savings Bank at No. 103 Calle Cangallo from 9 o'clock till 3 p.m. every day, for the reception of the savings of the classes already mentioned, Sundays and holidays excepted. The Bank will deliver to each depositor a pass book in which will be entered the amount deposited and withdrawn.

The depositor is permitted at any time to withdraw the whole or part of the sum deposited; in all former cases the interest will be calculated up to date.

The Bank of Mau & Co. is sufficiently known to the Public by the benefits derived from the course of its operations, which are regulated on the strictest and soundest principles, and always directed to promote the general welfare. The Bank of Mau & Co. are also permitted to render immense services to the working classes of Buenos Ayres and its neighborhood.

Buenos Ayres, 2nd January, 1867. P. P. MAU & CO., M. A. DE FREITAS AMORIM

CONDITIONS. First—The Bank receives at interest any sum from twenty-five Dollars currency or one Silver Dollar upwards. Second—The interest allowed is six per cent. (6 p.c.) per annum, which is liquidated every six months. Third—The depositors can at any time retire the whole or part of the money deposited. Fourth—Once the money deposited exceeds twenty-five thousand dollars currency, or one thousand dollars silver, the depositor, if he wish can open an account current, according to the rules established by the Bank.

FOR SALE BY PRIVATE BARGAIN At the Estancia "LOS SAJONES"

Within Four Leagues of the Jeppener Station Great Southern Railway, A FEW HALF AND THOROUGHBRED COLTS AND FILLIES

Of the Celebrated "OLD WARDEN" STOCK

The Owner has much pleasure in calling the attention of the public, and more particularly that of Gentlemen interested in Fine Stock, to the following animals now exhibited for sale:

ROB ROY, A beautiful brown three-year-old Colt, half-bred, tame to ride, and free from blemish.

BLACK PRINCE, A very handsome six-year-old Colt, three quarters-bred, free from blemish, and is tame to ride.

NORA AND CORA, These are an extremely fine pair of jet black half-bred four-year-old Mares, perfectly alike. They ran well in double harness, forming a capital "junior"; they are a quiet ride, and are free from any vice whatever.

The two black Mares claim special attention, and can be confidently recommended to owners as possessing plenty of form combined with power, giving promise of qualities which may render them

Formidable Competitors at Future Race-Meetings. Besides the above mentioned, there are also for sale a few two-year-old Colts and Fillies, half and three-quarters-bred, tame to handle, and finely grown and well developed animals.

NOTICE, Very few of the stock of "OLD WARDEN" (now dead) exist in the country. Out of the six of them sold by Mr. Welchman five have proved by their performance at past meetings of what sort the stock really is, and the sixth was sold, at a high figure, for Brazil.

For further details, and for all particulars, those interested will please apply at the estancia, where the stock is kept as inspected.
