

An actress declares herself charmed with her new role, as she has to change her toilette seven times.

A misanthropist asserts, after relatives, no enemies are more dangerous than friends.

EDITOR'S TABLE.

The French mail steamer Niger arrived at the Mount yesterday morning after a splendid run out.

We need scarcely remind our North American readers that the dedication of their beautiful new church takes place to-day.

The New York World publishes the following—

A letter from the United States Commissioner at Vienna announces that the Emperor of Austria has created Thaddäus Fairbanks, of St. Johnsbury, Vt., the inventor of the Fairbank's Scales, a Knight of the Imperial Order of "Francis Joseph."

We call the attention of our readers, and particularly that of our German friends, to the report of the operations of "Deutsche Heilfs-Verein" for the last six months of 1873, and which has recently been published in the columns of our esteemed German colleague.

The Society during its brief existence has done an immense amount of good, and now that the German element is increasing amongst us, it is a duty of humanity to assist its poorer members if they are to be saved from misery and perdition.

Messrs. Kidd and Co.'s "Guia Mensual" for March goes on improving. The public should note the changes in the time tables of the railways for this month.

"Porter," asked an old lady, of an Irish railway porter, "when does the nine o'clock train leave?" "Sixty minutes past eight, mum," was Mike's reply.

The dispute between this country and Chile about limits does not look as pleasant as could be wished, and we would sooner hear more about arbitration and less about iron-clads in connection with the quarrel.

Mr. Daws, the well-known librarian, sent a perfect avalanche of European and American magazines, and papers over town and camp yesterday.

The good people of Mercedes gave a splendid concert on Thursday last in aid of the Poor of that locality. The attendance was most numerous and the receipts in proportion.

We received yesterday a notice from a notary about an Irishman named Nolan who supposes the late Father Faly left him \$2,000 mpc.

Archbishop Azevedo has issued a Pastoral to his clergy and flock, laying down rules for Lenten fasting, prayer etc.

The Prensa alludes to the discovery of some frauds and pilfering in the Municipality, the authors of which have been unearthed by Mr. Alderman Canard.

Private families had better look to their lamps and supplies of short sixes, long fours and kerosene. The Gas Company intends not to make any more gas for the Municipality, but only enough for private houses.

The branch Immigration Commissioners at Azul have taken on themselves to reject six Italian emigrants lately sent down there, because they are Neapolitans.

The clever thief who plundered the sleeping inmates of the San Martin hotel the other night has not yet been caught. He got away about six o'clock next morning.

Mr. Mallman, Government Engineer, has been named by the National authorities to join the Commission of engineers now surveying the Uspallata pass for Mr. Clark's railway to Chile.

Good news for shipmasters. The Saint Mary lighthouse is almost completed. It is built of stone, and there will be no danger of a sudden collapse such as finished off its predecessor.

The Argentines lent their hospital in Asuncion for the assistance of the wounded in the late scrimmage between the revolutionists and Government troops.

A New Haven miss who dislikes missionary sermons on account of their length, on being asked if she would like to go and hear the Rev. Shehadrai, weekly replied that Shehadrai-ther not.

The Municipal College will open for the resumption of studies to-morrow. The Mutual Gas Company has got 30 days extension of time to renew the laying of its pipes, so unpleasantly interrupted by the cholera.

Rain is terribly wanted in the South. It has not rained at Azul for three months, and the estancia owners have been drawing water for their flocks for six weeks past.

The Municipality is so miserably out at elbows that the criminals in the Carcel have to go naked. Judge Bunge saw one man there lately who had not even a shirt on his hip.

The Nigar entered, but without mail. It seems the mails come by the Galileo, which steamer sailed the same day from Lisbon.

Exchange in Rio is said to be rising, and varies 9,490 to 9,450. The news about wool declines 1/2 cent.

For each 70,000 86 do 100,000 84 do 150,000 80 do 200,000 78 do 300,000 74 do 400,000 72 do 500,000 70 do 600,000 68 do 700,000 66 do 800,000 64 do 900,000 62 do 1,000,000 60
