Bristol's Sarsaparilla. Is prepared in the most scientific manner, by thoroughly educated chemists and Druggists, who have had many years' experience. It is not a simple extract from one article, but is composed of extracts from a number of Roots, Herbs, Bark, and Leaves, all of which are possessed of some particular virtue or power in curing the diseases that have their source in the blood and humors; these different vegetable extracts are combined in such a way as to retain, in full strength, the special curative virtue possessed by each.

By having our own agents at the places where the various drugs, herbs and plants, are produced, we are enabled to exercise that constant care in selection which insures uniformity of excellence, and we are sure to secure the best quality of the raw material, and only the best of every article entering into their composition; and it is with the most binding confidence we say, to be sick of all nations and all climes, that in Bristol's Sarsaparilla you have a remedy more reliable than any before offered to you, and which will no disappoint you in the cure of.

Salt Rheum, Itch, Scald Head, Syphilis, or Venereal Disease, Nervous and General Debility, Old Sores, Ulcers, Tumors, Abscesses, Boils, Eruptions, Scrofula or King's Evil, Female Derangements, White Swellings, Fever and Ague, Chills and Fever, & Dumb Ague.
