### NEW ADVERTISEMENTS

BONCHITIS, LOSS OF THE VOICE A change of climate however beneficial in itself, will not cure bronchitis or the loss of voice; but Lanman and Kemp's Pure Cod Liver Oil wil effectually cure it. Rev. Heber Rapelye, of Mil-Linman and Kemp's Pure Cod Liver Oil will effectually cure it. Rev. Heber Rapelye, of Milwaukee, at present in Valparaiso, whither he removed, and entertaining hopes that the grain lity of the climate would benefit him, from a chronic affection of the throat with which he had been suffering for a number of years, speaks of the results as follows—"The change itself did not help me much, but whilst residing in Valparaiso I was induced to take Lanman and Kemp's Cod Liver Oil, and after using it steadily for, two months, am happy to say, that I find myself much better. My voice is quite as clear and strong as before, and I cherish the hope of recovering entirely. Providence be praised for my deliverance, in having so ordained it that I should have been prevailed to try this excellent remedy. Other similar oils may be efficacious, but I am thoroughly convinced that Lanman and Kemp's Cod Liver Oil is all that it is represented to be, and therefore, I do not hesitate to recomment it., Persons, to whom oil of any kind is mon'l it. Persons, to whom oil of any kind is repulsive, will do well to mix it with, or drink immediately afterward, two spoons full of Pecci I No.33 ag13 toral of Anacahuita.

The news of the day is that the enterprising Municipality of Flores has been bitten with the street-making mania, and is about to cut up that charming township into little bits, and run new roads and streets right and left, along the Road to 'the Village.' Fancy turning the hanging gardens of Mr. Lezica's demesne, or the ornameutal walks of Mr. Wanklyn's, into a Mud Lane! The idea is monstrous. The sapient corporators of Flores will do well to bear in mind the fate of their Municipal brethren of this city, who attempted to exprepriate private property at the Chacarita, and were condemned to return the land, with 60,000 pats. damages for their little spree. The Federal Court—the highest in the land-has decided that no Municipality will be allowed to seize private property without first buying and paying for it. Be wise Flores Fathers and remember this. # Bristol's sarsaparilla

Is prepared in the most scientific manner, by thoroughly educated chemists and Druggists, who have had many years' experience. It is not a simple extracts from one article, but is compounded of extracts from a number of Roota, Herbs Barks, and Leaves, all, of which are possessed of some particular virtue or power in curing the diseases that have their source in the blood and bumors; these different vegetable extracts are combined in such a way as to retain, in so full strength, the special curative virtue possessed by each. The root of the Sarsaparilla plents found in Hondures, is that which we use in this preparation; it is the kind which all medical man esteem moss. About fifty per cent. of Bristol's Sarsagarilla consists of the concentrated extract, the remainder, as above stated being composed of extracts from other powerful, cleansing and healing vehetable substances. It does not contain any thing that is dagerons or injurious to health, and in this, as in nearly every other respect, is entirely different from all other preparations sold under the name of Sarsaparilla.
