

NEW ADVERTISEMENTS

THE REASON WHY THE HAIR FALLS OFF.—Whichever the cuticle shrinks from disease, age, or other cause, it presses hard around the roots of the hair, thereby preventing the coloring substance and vital element from passing up from the roots. In order to restore this vitality, it becomes necessary to apply the Oriental Tonic every morning and night, the balm with it a vigorous use of the brush, the object being to renovate the vitality of the cuticle and soften the roots. This is soon attained, and the interrupted communication between the bulb and hair is renewed, resulting in a brilliant, silky, abundant, and enhanced crop of hair.
