

The proclamation of a 'feria' similar to that declared during the Yellow Fever...

We give in another column full particulars of the recent attempt to murder President Parlo, of Peru...

The Montevideo papers tell a curious story of a valuable diamond ring having been stolen from Salvini...

We are requested to state that in consequence of the grand religious ceremonies at the church of San Francisco to-day, the Very Rev. Canon Dillon will be unable to attend at San Roque Church as usual...

We are requested to state that there is no foundation whatever for a rumor given by the Argentinian press...

The Capital of Rosario says that Colonel Roca had 4000 men with him when at Villa Maria...

It was said yesterday that since the present rumpus broke out nearly 1000 foreigners have enlisted as 'personeros' for National Guards.

The Pipe Water now supplied to the city is so polluted as to be unfit for any domestic purpose whatever...

A fearful rain storm from the ocean broke over Iquique on the 15th ult. Every drop of rain was as big as a big bucket full...

All the notes recently sent up to the provinces to start the branches of the National Bank are to be destroyed by order of the National Government.

The following is the balance-sheet of the Hibernia Bank for September 30, 1874.

The latest American papers to hand are full of the Ward Beecher scandal, which has shocked and shaken American Society to its foundations.

Beginning of a judge's charge in Iowa—Gentlemen of the jury, you must now quit eating peans and attend to the case!

Respecting the stoppage of the Argentine Bank, we hear only that, beyond the inconvenience of a delay, the depositors will not suffer in the least...

The stock market shows a further improvement. This morning when the news of the stoppage of the Argentine Bank and the political situation were discussed there was but one English broker on 'Change who opined that cedulas would rise to-day, and he alone was correct.

Exchange was done to-day at 49-4/8. The liquidation Cedulas ruled a shade higher...

The Duchess of Magenta and the Archbishop of Lyons have consented to be sponsors for the new bell now being cast for the church at Oran.

At the barracks' room to-day there was a large attendance, and a good deal of money seemed to change hands. In general business there is nothing but increased commercial depression to note.

The week opened as it closed, badly. The stoppage of the Argentine Bank this morning took the outside people by surprise...

General Balance-Sheet of the Argentine Bank on June 30th, 1874.

It was remarked on 'Change to-day that an effort is being made in Montevideo to raise a war loan of two millions pias, but so far without any success.

At 2 o'clock it was announced that the Onoquia had entered Montevideo; there was some concern about this steamer.

Our literary friend 'dear Daws' begs us to inform his North American subscribers that the time is nearly up for renewing their subscriptions for the coming year.
