Max Havelaar BY MULTATULI

It is difficult to say whether Max Havelaar is more interesting as a novel or powerful as a political pamphlet. From either point of view it is one of the best of its kind.

The story is remarkably clever, a rollicking, oceanic, grotesque and satirical humor overflowing on every page.

A more stinging satire of the lower propensities of the Dutch could hardly be conceived than that embodied in the Arctostan coffee-broker, Batavus Dryastubbe, (who stands out as one of the most remarkable embodiments of money-grubbing Phariseism which literature has yet produced).
